Clyde Nursery Ltd is a private day nursery primarily offering sessional and full day care for children (from 6 weeks to 5 years of age) of civilian, 'partner' and naval personnel based at Faslane, Coulport and Glen Douglas. We also cater for children with parents who are not employed by the base.

The Nursery is open to all children within this age band regardless of sex, ethnic or religious background and the sexual orientation of parents/carers.

The Nursery is solely financed through the payment of fees, which may include pre-school commissioned funding from Argyll & Bute Council.

The Nursery is operated within the confines of the Care Inspectorate Registration Certificate regarding the number of children attending within specific age groupings.

Clyde Nursery is registered for 56 children.

The waiting list is not operated on a first come first served basis. The following priority system is used for accepting children from the waiting list:

Priority given to:

- Children of parents/carers working in civilian, 'partner' and naval capacities based at Faslane, Coulport and Glen Douglas
- Siblings within the nursery
- Children seeking a full-time nursery place.
- Children referred by Social Services MPFS
- Children of permanent contractors

Clyde Nursery will only hold a space for one month after the agreed start date. Any changes to this may result in loss of space at Clyde Nursery.
